

Longcoy Elementary School
 First Grade Interim Report
 Grading Period 1

Name: Asher Daugherty

Date: 9-24-18

Academic Skills/Comments..

Asher received a summary of skills that included letter sounds, sight words, and reading level. At this time, I have no academic concerns in literacy. He is well beyond the reading level required at the end of first grade. I am working with Asher to work up to his potential. He tends to do the minimum he can do, particularly with written work, and I would like to see him challenge himself more. We will keep working on that. Much of our time to this point has included community building, understanding routines, and following directions. These skills are shown below. Asher sometimes needs reminders to follow the given directions, stop making noises, or to pay attention. I feel he will do better as routines are established.

Work and Study Skills	Making Progress	Having Difficulty
Follows directions	✓	
Uses time effectively	✓	
Completes assignments	✓	
Demonstrates organizational skills	✓	
Prepares papers neatly	✓	
Listens attentively	✓	
Participates in class discussions	✓	

Social Skills	Making Progress	Having Difficulty
Demonstrates appropriate behavior	✓	
Interacts well with others	✓	
Accepts responsibility for own actions	✓	

Your child can be helped by:	
Regular attendance, arriving on time	
Additional work at home with adult supervision	
Completing and returning assigned homework	

Out and return to school

Interim Report for: Asher Daugherty

Parent Signature: 

Comments:

We continue to work on concentration at home. We have also discussed writing more like he talks (complete sentences) instead of the minimum amount.
